That works. I will try to get our speaker info organized and confirmed so the meeting goes well.

Hey [REDACTED] our schedules are calming down now we've figured out a few operational things now that Phil Hunt has retired. If you'd like to meet next Friday, October 13 at 11:30 we are available. Let me know if that works for you to chat about speakers. Just trying to catch up with lots of RSO leaders now that we are "calmer". Let me know, thanks for your patience.

What days of the week [REDACTED] work best (for example: Tuesday and Thursdays at 3 pm), please share three, I check my calendar and we can set something up similar to last year's meetings. Let look at the week of October 16-20— school will not be feeling new and things around our office will be a little more settled? Also, I'll be introducing you to your new SAO Adviser when we meet too. Thanks.

Hello Rene,

This is [REDACTED] from the College Republicans.

We would like to meet soon to talk about planning for speakers and get some information on our best way to go about it. We are currently planning on bringing two speakers:

One in winter who we haven't confirmed yet,

And Milo again in April (the date we have currently planned is April 18th, but we are trying to get them to agree to a change to a Saturday)

Please let me know what time will work best for this.

Thank you,
President of the UW College Republicans
